ORDER:

In the Letter 2nd read above, the Engineer-in-Chief (PH), Hyderabad has stated that, the Hon'ble Minister for SCD, TW and EPS & TP has represented that due to non availability of STPs in Dharmapuri town, drainage water from side drains is directly entering into holy river Godavari leading to water contamination causing health hazards to pilgrims who visit ancient temple Sri Laxmi Narasimha temple.

2. The Engineer-in-Chief(PH), Hyderabad has stated that the sewerage load for Catchment-II is 3.50 MLD for the prospective year 2038 duly considering floating population as most of the devotees would stay near temple premises and bathing Ghats, which falls under catchment-II area. The Engineer-In-Chief (PH), Hyderabad has further informed that the proposed 2.00 MLD STP under SBM2.0 would be insufficient to meet the projected sewage load of the town for the prospective year 2038. Hence, the earlier proposal for the Construction of two STPs i.e., 1.00 MLD for Catchment-I (UPSTREAM OF Pushkar Ghats) and 3.50 MLD for Catchment-II, including the floating population (downstream of Pushkar Ghats) remains essential, out of 3.5MLD total required capacity, 2.00 MLD is currently proposed under SBM 2.0.

3. The Engineer-in-Chief(PH), Hyderabad has further stated that due to price escalation as per the new SOR 2025-26 and inclusion of Land acquisition cost amounting to Rs.2.00 Crores the estimated cost revised to Rs.17.00 Crores and for O&M of STPs (1.0 MLD & 1.5 MLD) for 10 years an amount of Rs.7.50 Crores is required additionally and hence, the total cost including Land Acquisition and Operation and Maintenance for STPs is worked out to Rs.24.50 Crores.

4. The Engineer-in-Chief(PH), Hyderabad has further informed that the Government has issued BRO No.1702, dt:15-11-2025 of Finance (DCM) Department for 2nd quarter for the above head of account 2217-80-191-25-92-310-319 Assistance to Municipal Corporations for various developmental works wherein an amount of Rs.10.00 Crores are released against Rs. 20.00 Crores allocated budget for the year 2025-26.

5. The Engineer-in-Chief (PH), Hyderabad has therefore requested the Government to accord administrative sanction for an amount of Rs. 24.50 Crores (Rupees Twenty Four Crores and Fifty lakhs only) for the work “Construction of STPs including Operation and Maintenance in Dharmapuri town in Jagtial District” duly allocating funds under Head of Account “2217-80-191-25-92-310-319”, Assistance to Municipal Corporations for various developmental works.
